

Village of Summit Alarm Registration

Notice to Residents of the Village of Summit
Who Have Alarm Systems in Their Homes or Businesses

Section 10-71 through 10-75: False Alarm

These sections deal with any false alarm from any alarm system in the Village of Summit. These false alarms are either residential or business alarms. The minimum fine for this offense is fifty dollars (\$50.00) plus costs and assessments.

Section 10-94 through 10-102: Permits for Alarm Systems

These sections deal with the registration of alarms and listing key holders for that alarm system. There will be a one-time fee of forty dollars (\$40.00) to register an alarm system. When registering an alarm system a key holder must be designated that will be able to respond to the alarm within thirty (30) minutes of receiving the call that the alarm system has been activated. Failure to register the alarm system, or failure to have a key holder that will respond to the alarm to either turn it off or resent the alarm, is a violation of this ordinance and citations may be issued with a minimum fine of fifty dollars (\$50.00) plus costs and assessments.

How to Register an Alarm System

1. Registration of alarms systems is handled at the Village of Summit Police Department.
2. Fill out the Alarm Registration Form. The form is available at the Village of Summit Police Department or the Village of Summit Police Department website.
3. Bring the form, with appropriate fee, to the Village of Summit Police Department during regular business hours:
Monday – Friday 7:00 am – 3:00 pm
4. If you have any questions concerning alarm registration, please call the Village of Summit Police Department @ (262) 567-1134.

Thank you for your cooperation in this matter.

Brian Wraalstad
Chief of Police

(Updated 5/12/2026)

Village of Summit Alarm Registration Fee Required
